

Roll out of Ayushman Bharat - School Health and Wellness Programme (AB - SHWP) during COVID-19

AB - SHWP is the largest school health programme in the world.

Target:

➤ 260 million school going children

These children will be reached through weekly **health promotion activities**

HWAs will be trained to transact these activities

School Principals will also be oriented for **better ownership**

Launched in **February 2020** by Hon'ble Ministers of Health and Education

National master trainers trained and training material disseminated

Implementation

- Government issued **guidelines to implement the programme** adapted to the COVID-19 realities by shifting to online platform
- To ensure **continuity of programme** roll out, there was need for:

Rapid adaptation of the training modules including activity plans

Converting role plays of the curriculum into a virtual platform

- MoHFW developed 56 animated videos for AB - SHWP curriculum, with the support from UNICEF

UNICEF supported training videos:

- Trained **1,700 state master trainers** through virtual platform in 2020, during the COVID pandemic.

States are in various stages of the roll out of Health and Wellness Ambassadors (HWA) trainings
